Dr. Frank Sansosti

Assistant Professor

LDES

fsansost@kent.edu

Education

Ph.D., School Psychology **2005**

University of South Florida

Dissertation Title: Using Video-Modeled Social Stories to Increase the Social Communication Skills of Children with High Functioning Autism/Asperger's Syndrome

M.A., School Psychology **2001**

University of South Florida

Thesis Title: Effectiveness of Social Story Interventions for Children with Asperger's Syndrome

B.S., Psychology **1998**

University of Pittsburgh

Higher Education Work Experience

Associate Professor (Tenured) **8/2012 - present**

Kent State University

Courses Taught:
Diagnosis of Childhood Disorders in Schools (Graduate)
Internship in School Psychology (Graduate)
Developmental Assessment (Graduate)
Introduction to Neuropsychology (Graduate)

Adjunct Professor **4/2006 - 8/2006**

University of South Florida

Course Taught: Behavior Theory and Classroom Learning (Graduate)

Assistant Professor (Tenure-Track) **8/2006 - 8/2012**

Kent State University

Courses Taught: Diagnosis of Childhood Disorders in School (Graduate) Cognitive Assessment for Children in Schools (Graduate) Issues in Special Education (Graduate) Professional Seminar in School Psychology (Graduate) Research Seminar in School Psychology (Graduate) Developmental Assessment (Graduate) Consultation in the Helping Professions (Graduate)

Instructor **8/2002 - 4/2006**

University of South Florida

Courses Taught: Psychological Foundations of Education (Graduate) Learning and the Developing Child (Undergraduate) Human Development and Learning (Undergraduate) Human Relation Skills in Counseling (Undergraduate)

Other Professional Experience

School Psychologist/District Level Autism Consultant **8/2005 - 6/2006**

District School Board of Pasco County, Land O'Lakes, Florida

Conducted psycho-educational and behavioral assessments; Engaged in the problem-solving process at an individuals and systems level to resolve various academic and behavioral concerns for students; Developed, implemented, and evaluated various academic and behavioral interventions for students; Consulted with educators and administrators regarding educational planning for students with autism spectrum disorders.

Pre-Doctoral School Psychology Intern **8/2004 - 7/2005**

District School Board of Pasco County, Land O'Lakes, FL

Engaged in problem-solving process at an individual and systems level to resolve various academic and behavioral concerns for students; Served as a consultant on the CORE Team to assist with educational planning for students with autism spectrum disorders and students with other low-incidence disabilities; Conducted Pre-Kindergarten, Elementary, and High-School psycho-educational assessments.

Graduate Research Associate **5/2003 - 8/2004**

Center for Autism and Related Disabilities, Florida Mental Health Institute, University of South Florida, Tampa, FL

Developed and conducted a series of trainings with various stakeholders working with children with autism spectrum disorders; Developed a series of workshops on Asperger's Syndrome for multiple service providers; Assisted families who were constituents of CARD with technical assistance for home-based interventions and Positive Behavior Support (PBS).

School Psychology Practicum Intern **8/2001 - 4/2002**

Alexander Elementary School, Tampa, FL

Gained understanding and competency among various academic and behavioral interventions; Used effective consultation processes within a problem-solving context to resolve academic and behavioral concerns for students; Gained understanding in standardized and curriculum-based assessment, referral question consultation processes, and social skills training within a school context.

Psychological Service Assistant **9/2001 - 5/2004**

Child Development Center, Tampa Children's Hospital, Tampa, FL

Led and co-led social skills groups with children and adolescents with autism spectrum disorders; Created and organized activities for social skills groups; Conducted school consults with public and private schools; Assisted in clinical observations of group and individual behaviors.

Graduate Research Assistant **8/2001 - 5/2003**

Department of Psychological and Social Foundations, University of South Florida, Tampa, FL

Designed a series of case vignettes for workshops regarding the education of Latino/Hispanic students; Conducted assessments regarding the skills and abilities needed of new teachers; Designed, entered, and analyzed data sets.

Graduate Research Assistant **8/2001 - 5/2002**

Department of Psychological and Social Foundations, University of South Florida, Tampa, FL

Assisted on a departmental grant examining children's perceptions of schools; Conducted assessments/interviews at various elementary schools; Designed, entered, and analyzed data sets; Generated reports/papers and presentations of information gathered.

Graduate Research Assistant **8/2000 - 8/2001**

Department of Child and Family Studies, Florida Mental Health Institute, Tampa, FL

Assisted on the Safe Schools/Healthy Students (SS/HS) grant awarded to Pinellas County, FL; Evaluated the Anger Management program of the SS/HS grant; Designed, entered, and analyzed data sets; Generated reports/papers/presentations of information gathered.

Practicum Intern **8/2000 - 4/2001**

Valrico Elementary School, Brandon, FL

Gained understanding of elementary school curriculum; Gained understanding of various assessment instruments; Gained practical awareness of the range, role, and function of a school psychologist.

Therapeutic Staff Support **8/1998 - 8/2000**

Autism Center, Children's Hospital of Pittsburgh, Pittsburgh, PA

Developed various socialization and communication interventions for children with autism, as well as strategies for addressing problematic behavior; Documented and charted progress of children with autism in the camp setting; Coordinated relations between children with and without disabilities.

Therapeutic Staff Support **7/1998 - 12/1999**

Allegheny Children's Initiative, Inc., Pittsburgh, PA

Provided in-home services to families and children with social, emotional, and/or behavioral problems; Developed and implemented various interventions for children and their families as outlined by specific written behavior plans; Consulted with various service providers and families regarding diagnosis and interventions for children with autism.

Research Assistant **6/1996 - 8/1998**

Pitt Mother and Child Project, University of Pittsburgh, Pittsburgh, PA

Assisted graduate students in both lab visits and community/home visits; Administered a variety of questionnaires to parents; Contacted schools or participants in order to obtain school records; Videotaped sessions of target child's interactions with mother and sibling(s); Scored, recorded, and entered data.

Supervised Intern **6/1996 - 8/1998**

Child Development Unit, Children's Hospital of Pittsburgh, Pittsburgh, PA

Assisted in childhood assessment teams diagnosing developmental disabilities; Assisted in organizing planned interventions following diagnoses; Responsible for report generation regarding grant proposals and specific cases.
