

INSTRUCTIONS FOR FILING PROSPECTUS

1. During the first semester following admission to the Graduate School of Education, you must meet with your advisor to plan a program of study for the degree you are pursuing.
2. The prospectus must be copied and distributed as follows:
 - Graduate Education Office
 - Advisor
 - Student
3. Any deviation from this prospectus must be approved in advance by the advisor and the student, and the amended prospectus must be redistributed.

An exit interview for the purpose of assessing outcomes will be held with students who do not have a practicum on their transcript.
